

2011 - Bicentennial of the National Road

City of Cumberland Engraved Brick Fundraiser

In celebration of the Bicentennial of the National Road, engraved bricks are being sold to fund the festivities. Engraved bricks are available for \$50.00 to include a three-line inscription and will be placed in a new brick walkway that will encircle the National Road monument, to be installed on the grounds of George Washington's Headquarters in Cumberland.

Festivities celebrating the Bicentennial will include visitation by dignitaries, a Bicentennial Parade, groundbreaking ceremony, special exhibits, live entertainment, fireworks and more.

Please purchase a brick today to help fund these festivities. Bricks will be in the walkway for decades to come and provide an excellent memorial opportunity for family and friends, as well as an opportunity to leave your own family or group name enshrined in the memorial walkway.

If you wish to purchase more than one brick, please complete one form for each brick purchased. Only one check need accompany multiple order forms.

Please use the form on the back of this flyer. For additional information, feel free to contact Mayor Brian Grim at bgrim@allconet.org

National Road Bicentennial Engraved Bricks

\$50.00 per brick
